## Black Face Show Due on April 30

Helen Cox Scheduled to Sing,  
Stewart Dances;  
Many Stars

Toot! Toot! Here she comes around the bend. It won't be long now until Cap'n Bud's Row Boat with all the river characters and the finest collegiate Minstrel Chorus west of Twin Peaks pulls into port. Accompanied by the Row Boat's own twelve piece band the show may be viewed Friday evening April 30 at Frederic Burk Auditorium beginning promptly at 8:15 p.m.

Tickets will be on sale beginning Monday April 12 in front of the student-body office. They will be sold daily between hours of ten and two.

Committee chairmen are: Dawn Wilson, hostesses and ushers; Howard Demeke, publicity; Patricia McNamara, tickets, and Howard Brubeck, music director. The price of admission is thirty-five cents for three hours of solid entertainment.

Anyone wishing to be in the show may do so by getting in touch with Bud Decker or dropping a note in box 1193 before Wednesday at four o'clock. Rehearsals will be nightly from 7:00 until 9:00 p.m. in Frederic Burk auditorium commencing Tuesday, April 6.

The chorus will include sixteen members of the A Cappella Choir and ten comedians headed by Ed Cockrum and Vernon Rees as end men, and Bud Decker as interlocutor. To date there are sixteen solo acts in rehearsal, including such standard favorites as Helen Cox, lyric soprano; Audrey Stewart, acrobatic dancer; Frances Twohig, Harlem tap; Jack Martin and his banjo; the jailbird quartette; Lee Scarlett and his vibraphone; Connie James, songstress; Lorraine Sullivan, dramatic singer; and a bevy of stars.

### A. M. G. Hears Speaker

Ruth Hollowell was guest speaker at the regular meeting of Alpha Mu Gamma, National honorary language society, last Thursday. Miss Hollowell spoke on Panama and Central America and illustrated her talk with various products of the two countries. At the next meeting, Miss Florence Turner will be the guest speaker and the lecture will take place in May.

### Monroe Speaks Again

It was learned today that Mrs. Monroe will repeat the series of lectures she gave last semester on Social Relations.

The first lecture will be given on Friday, April 9 at 12:00. Students interested are requested to contact Mrs. Monroe.

## Petitions Ready For Circulation

Any member of the student body at State College who has an average of C-5 or above and is interested in running for an Associated Student Body office will find petitions available at the Student Body office from April 5 to April 16. No petitions will be accepted after this date.

"Campaign week will be held from April 21 to April 28, which is election day," announced Marian Irwin, who is in charge. Miss Irwin declared that much interest in the forthcoming election has been evinced by members of the student body.

Offices to be filled include that of President, Vice-President, Secretary, Treasurer, Yell Leader and Director of Publications. If a tie occurs a re-election will be held April 30.

Petitions must be signed by at least fifty members of the Associated students.

## Reg. Committee Sign-Up Ready

Barbara Young, chairman of publicity for the Fall Registration committee, last Thursday revealed that sign-ups for committee work would begin today, on a poster in college hall.

Listed as sub-chairmen for the registration, were Erile Long, gym committee; Dorothy Ayling, counter and files; Guido Fumigali, traffic; Betty Creon, distribution; and Dorothy Lavelle, information. Prospective members of the committee were urged to select a committee and contact one of the above people.

It was pointed out that students who wish to work on this committee must have a "C" average or better.

## French Club Elects

The French Club announced that it is going to hold an important special meeting tomorrow, Tuesday, at 12:15, in the Activities Room for the purpose of discussing plans for a reorganization of the club and an election of officers. It has been impossible for some of the officers to be present at the regular meetings.

Every member is urged to be present, by Almarie Porteous, publicity chairman, as each vote is needed to insure the French Club a successful semester.

## Whist Party Planned By International Relations

Members of the International Relations Club are making plans for their second annual Whist party, scheduled for April 22.

The affair will be held at the International Institute on 1860 Washington Street.

The purpose of the party is to raise money for the Damascus Scholarship.

Tickets will sell for twenty-five cents by club members.

## Alpha Phi Gamma World's Fair Takes Place Tonite At Roberts Stadium; 7:30 Set For Opening Time; Clubs Ready For Big Show

### Manly Men Pick Fair Femmes at Contest

Women, women and more women. And in the middle we have Bill Ferem, Bill Hammond, and Howard Brubeck. For in spite of their efforts to keep the men out, these three succeeded in breaking through the barriers and putting in an appearance at the meeting.

More than two hundred females cheered the self-conscious males on under the leadership of Louise Parodi, Betty Brown and Dawn Wilson, who acted as Mistress of Ceremonies. As a result of this mass rally, the question still remains as to whether the women can put on a rally without the aid of men, for the able piano playing of Howie Brubeck and the capable judgment of the two Bills comprised the greater part of the show.

The outstanding event of the rally was the selection of five young and beautiful mademoiselles to be representatives at the A. P. G. World's Fair. The girls chosen by an elimination contest are Lois Towle, Frances Twohig, Peggy Clifford, Sally Douglas and Victoria Regier.

The remainder of the program consisted of tap dances by Evelyn Fitzgerald, and Georgette Yebby, a piano solo by Howard Brubeck, a song by Helen Newell, and a little bit of something, which no one could quite figure out, done by Blanche Tovey. At the close of the meeting, refreshments were served.

Louise Parodi, A. W. S. vice-president, acted in the absence of President Dorothy Jean White.

## Satellites Swing at Spring Sport Dance

Saturday, April 3, 1937, State Satellites swaggered to (someone think of a word beginning with "s" meaning "to," quick!) sophisticated swing.

Occasion: The Block "S" Spring Sport dance.

Place: Girl's gym.

Orchestra: Joe Rosen.

Attendance: Terrific.

Miscellaneous Remarks: Those seeming to enjoy themselves were in the majority.

### Advisory Council To Swim

Dorothy Lavelle, chairman of the committee which is organizing plans for the Advisory Council Swimming Party, stated that this event is going to be held at the Fairmont Terrace Plunge on Tuesday, April 20, from 4:30 until about 6:30.

Elsa Magnus, president of Alpha Phi Gamma, which is sponsoring the Miniature World's Fair

## Entertainment For Epsilon Mu Social

Dancing and games will be featured at Epsilon Mu's social meeting to be held at 1426 Cabrillo Street Friday evening, April 16, at 7 o'clock.

Free refreshments will be served following election of officers and the social hour. Dues are to be collected during the evening.

Members are instructed to take car 5 or 31 to 16th Avenue and then walk one block to Cabrillo Street. Those planning to attend are asked to notify Ida Fertig, box 301, before April 14.

## Block S Sponsors Tag Day Sale; Aid Stadium

Continuing the policy started last term, the Block "S" will sponsor a Tag Day sale on April 14, 15, and 16. The tags will be sold on the campus for fifteen cents a piece.

Proceeds of the sale go to the improvement of Roberts Field. The sale will culminate in a dance to be held in the gym on Friday evening, April 16th. The price of admission will be a tag and ten cents extra per person, making a total of twenty-five cents a piece.

According to Vernon Reese, president of A. M. S., the drive this year will not stop until every student of the college has purchased a tag. Bill Ferem has been appointed chairman of the drive and expects everyone on the campus to do their part for State.

## Unusual Exhibits Add Color to Miniature Fair

Today marks the end of the extensive preparations which have been made for the Alpha Phi Gamma World's Fair. The affair is scheduled to be opened officially at 7:30 tonight at Roberts Field.

Booths, exhibits, programs, acts, drill teams, stunts—all have been arranged for by Will Smith, general chairman of the Fair. Campus clubs and neighboring schools and colleges are contributing exhibits.

Souvenir programs will be given away, along with various novelties and food samples that some of the business concerns to be represented will pass out.

The list of concerns contributing, include such names as: Transamerica Corp., Golden State Milk Company, Zellerbach Paper Company, Associated Oil Company, and several jewelers and hobby shops. One local jeweler is exhibiting a valuable diamond display.

Will Smith has arranged that the fair will be opened by a miniature "Olympiad" which will imitate the opening of the Berlin Olympic Games. Torches lighted at the site of the Golden Gate International Exposition will be carried through the city by runners to the field at 15th and Valencia.

Elsa Magnus, president of the campus chapter of Alpha Phi Gamma, has announced that six cups are to be awarded to various clubs, organizations, and individuals. There will be a cup for the one selling the most tickets, the outstanding booth, the most beautiful girl, and several other competitions. Judging will be done at the Fair proper.

An Associated Oil Company public address system will be on hand to provide announcements while the fair is in progress. A "man in the street" idea will also be run at various times during the evening, so students desiring to talk over the system are advised to keep an eye open for the "mike."

It is not too late to secure tickets for the World's Fair. You and your friends may purchase them in the hall all day today, or at the gate tonight. Tickets sell for 25c each.

### W. A. A. Holds Meeting

An open W. A. A. meeting, with all women of the college urged to attend, will be held on Tuesday, April 6, 1937, from 11:00 to 12:00 a.m. in annex A7. There will be a summary of the activities of the A. F. C. W. intersectional convention.

## Music Dept. Promises Band

AT LAST IT'S ON THE WAY—A band to play at the games next fall and other student functions.

The fight to get a representative group from the music department to form a colorful organization has been a long one. Ever since the beginning of this semester the Associated Students have been heckling the Music Federation to do something about the band situation. Arguments, proposals bitter discussions have led to this final decision.

Boasting of the one of the finest music departments in the entire bay area, San Francisco State has the greatest opportunity to produce pep bands that could and would be classed as outstanding.

Last term a few enterprising individuals took it upon themselves to form a band to play at the football games. Without any backing from any student organization or the student body itself, this group, which started with approximately fifteen members, played for two games and part of the third, when six of the original fifteen members left the field at half-time. A dozen excuses could be found why the band failed. But despite flowery apologies the fact remains that SAN FRANCISCO STATE with its outstanding music department was UNABLE to produce a pep band while little ST. MARY'S College with half our enrollment produces a band that is the spark plug in the Gael rooting section.

But now we hope all the obstacles have been removed.

We have the Student Body to back the band. We have a football team that never has said "die". We have at least five thousand people at the games. And now with the assurance that a pep band will be on the field we feel quite proud. We're marching on.

ROY M. LAUGESSEN.

## City Sidelights

### S. F.'s Morgue

(Ed. note: Tom Thorpe, roving reporter, will write a series of articles about places in San Francisco that he hopes will be of interest to you. The first article, concerning the "what about a dead body?" follows.)

"Dead men tell no tales." So when a corpus delecti is found submerged face downward in the rippling waters of the Bay, it is necessary that somebody find out who he or she may be, because the corpse will never tell.

That's where the well-organized and systematic process of identification of the City Morgue comes in. After a body has been found dead it is removed to the morgue. All stiffies are named either Jane Doe or John Doe until real name is found out, and this fictitious name is followed by a number, beginning Jan. 1st and numbering from 1 on throughout the year.

### DETAILED DESCRIPTION MADE

A complete description is then taken, such as: profile and fullface picture; where found and under what circumstances; clothing trade marks; approximate length of arms, legs, fingers, etc.; all facial features are itemized, like ears, nose, high or low forehead, eyes; teeth are checked and are put on a corresponding chart showing if any are out, if any are filled and etc.

Fingerprints are an important factor in the finding out who unidentified people are. Three sets of prints are taken, one set goes to the Department of Justice; another one to the Veterans' Facilities; and the Morgue keeps the third.

Six months is about the maximum time that a body is kept in cold storage waiting for somebody to identify it; after that it is taken to the City Undertaker's and buried in Sunset Cemetery. A complete record of the grave, its number and tier, in case somebody thinks they know who it is, then the aforementioned descriptions are referred to.

### WHAT TO DO

When a person thinks that their long lost son or brother is dead and might be in the Morgue, they can go down and give a look at the pale-faced unfortunates lying there. If they find him they must sign an affidavit to the effect that he has been identified and is ready to be planted.

If you feel like committing suicide or dying in an extraordinary manner, leave something on your person so that your relatives can be notified. Besides, who wants to lie in cold storage for four or five months waiting for someone to recognize you! Next week I'll tell you all about the Coroner's Inquest.

P.S. If you would like to go through the Morgue, drop a note in Box No. 796 or see me. Your comments on articles will aid me to give you the kind of stuff you like to read.

## INTERCOLLEGIATE WORLD'S FAIR

### Chamberlin's Tripe

By Bob Chamberlin

We'll now rattle off a couple of nearly new heart attacks . . . Bill Preston and Carol Pixley . . . Leo Dukhorn and Frances Wilson . . . Fran Weinberger and Neal Martin . . .

And it's been said that there's a sordid angle to the periodic visits of Kenny McGrew and Billy Hammond to the Maple Hall . . .

**Stupidities:** Bud Decker imitating Audrey, doing handsprings on the ferry boat . . . and almost dropping in the swim . . . Monk Delma gayly trotting in and out of the gals' locker room which he quite properly calls "home".

Leon Minear is playing politician by being oh-so-very-solicitous to most everyone that happens to encounter his grinning visage . . . which he hopes will soon be in front of the back of the Student Body Treasurer.

Just what is this power of feminine fascination that Bob Steenberg seems to use to entice and enthrall the unwary gals? On St. Patrick's day he saw fit to put Jo Flannigan's name into a G. G. cut . . . lately he seems to have been cutting in on the Munson twins' motorcycles by chasing about with Hypatia . . . who buys him cocs in the Co-op.

**Wanted:** one or more columnists who would like to write this stuff once a week . . . everyone knows how it should be run . . . so some two or five of you try it . . . 's free. Some want to tell how chic Mary Jones' gown was, how blotto Joe Duke was, where Johnny and Jeanie were, and how high the bushes grow . . . we don't know . . . but we suspect that fashions and libel suits and platitudes should be put out of mind by yours truly.

## Block "S" Sends SOS For Talent; Ranks Need Filling

**George Paiva Asks For Co-  
operation; Ranks  
Defunct**

He's up, he's down and stuff. April 22, the Block "S" will endeavor to put on a boxing and wrestling show if more cooperation and enthusiasm is displayed by the students in general. George Paiva, State's waltz king, is trainer and coach of the potential grunt and groaners and pushers of the well known leather mittens.

### MORE TALENT NEEDED

To date, there have been about ten fellows who have signed up to display their talents in the art of fisticuffs and grappling. Anybody, whether good, bad or indifferent is urged to sign up with Paiva and help to make the show a success.

### INTERCOLLEGIATE MATCHES

This exhibition of Dreamland aspirants is the beginning of intercollegiate boxing and wrestling bouts among the various Colleges, because it is being planned to have an evening of bouts against S. F. J. C. Winners of the bouts on April 22 will be pitted against the boys from the Orphanage on Powell St.

"We want the men on the inside of the ring and the women on the outside that night. Let's get together and support the Block "S," said George Bogdanoff, president of the Society.

## Big World's Fair Nice To Staters

It's very seldom that a GATER reporter gets a chance to get in on the inside of something outside of the college. But, as with so many other things, everything comes in due time.

Part of the co-operation that the World's Fair proper is lending to the Alpha Phi Gamma Miniature World's Fair is publicity. Consequently, they provided that one of their pirate girls would be photographed with the chairman of the Alpha Phi Gamma Fair, and the results sent to the metropolitan papers.

In line with this, then, last Thursday they invited Will Smith, chairman of the local fair, and two guests from the GATER staff, to come to the grounds of the big World's Fair, and be photographed with the pirate girl at the fair grounds.

Now to relate the adventures of these three dabblers in printer's ink:

After a hurried trip through the downtown traffic to arrive at Pier 14 before the ten o'clock departure of the launch, the lads led a hectic two hours. Among those who also were going to the Island for publicity pictures were Fred Waring and some of his singers, Meredith Wilson and his lads, the gorgeous pirate gal, and several photographers. Needless to say, these celebrities provided most interesting conversation for the GATER reporters.

## Quarter Finals Start In Tennis

With Delma and Bragg left to finish the elimination, Intramural Tennis quarter finals get under way. Today Chas. Carson plays Ronnie Lindlow of the track team. The victor will meet the winner of the James Gallagher-Billy Hammond tilt on Wednesday.

Last week's match of Doug Crary and Jack Saunders proved to be an excellent battle of skill. Crary was par excellence on his backhand stroke and his overhead smashes. Saunders putting up a nice battle throughout came out on the short end 6-4.

The quarter finals schedule, beginning April 5th, is as follows, providing Jupe Pluvius doesn't get his oar in the thing:

1. Carson vs. Lindlow on Monday, April 5.
  2. Gallagher vs. Hammond on Wednesday, April 7.
  3. Crary vs. winner of Delmar-Bragg on Thursday, April 8.
- Friday stars a double round robin to decide the winner:  
Team 1 vs. team 2 on Friday, April 9.  
Team 3 vs. team 2 on Monday, April 12.  
Team 1 vs. team 3 on Tuesday, April 13.

Shortly, the launch arrived at the dock on the fair grounds, and the motley crew poured out to marvel at the sight of a man-made island at close range. Superlatives flowed freely!

The pictures were taken, and after a little general rubber-necking, all returned to the launch and thence back to the S. F. shore.

The general sentiment: "Boy what a thrill."

## Down In Front

By ED. SMITH

Comes the morn and the Gater nine grab their bats and take on the Orphan Goats from Powell St., commonly, (very common), they are called S. F. J. C. It seems that the contest scheduled for March 16th was postponed because they had forgotten all about the fray. Nice guys. Last year the Gaters went on a scoring spree, knocking the Powell St. Billygoat off Buchanan Bluff with a tidal wave of 24 to 8. Note: We should repeat, mark me.

### PLUG FOR BLOCK "S"

Orchids to the Block "S" Society for the splendid dance they put on. It was tops in entertainment, and shows that the Block "S" is rebuilding faster than was expected. Also would like to mention the fact that George Bogdanoff, president of the society, is working hard putting the society on its feet, and demanding the respect which it should have.

### WE EXPAND SOON

It seems that State athletics as a whole are going to reach new heights next year, and those to follow. Right now we stand an even greater 2 to 1 chance in getting the appropriations for the expansion of athletic facilities. No longer will we be a doormat where every college with greater facilities may wipe their feet . . . we've grown up and taken the mat inside and wiped the "Welcome" off and put "Come And Get It" on in its place. Let's cross our fingers and rub my bald head for luck to get the filthy lucre.

### W. A. A. PLEASE NOTE

I hope all the women of the college who participate in athletics of some sort are enjoying the column written by Fran Weinburger, who I think is doing a swell job for an embryo journalist. It should appeal to most women because it brings those little intimate things without malicious or petty gossip that is so prone to get into print. Good luck to you Fran, keep it up.

### NEW POLICY

In keeping with new styles and modes and such, this edition of the paper will endeavor to give every man and woman participating in athletics of any kind an even break. We will try our utmost to keep the articles that appear as unbiased and unprejudiced as is possible, but being human we all have our faults and so some mistakes are and will be made. And so with the array of talent that writes for me, only the best will appear, or we will die in the attempt.

### BALBOA, S. HEART, STATE TRACK

Too bad they weren't playing horse-shoes on the Balboa oval last Wednesday. It's also too bad that close doesn't count in track meets. It's too bad too, that some of Sacred Heart's 15½ points couldn't have gone to the State

## Gater Nine To Take On J.C. Orphans Tomorrow—If—

## GATERETTE GOSSIP . .

By FRAN

The W. A. A. can throw a bouquet to Ed. Smith—if he stopped hounding me this column wouldn't exist.

I hope Dr. B. realizes I'm in the 121 class and that her name appears weekly in this column—good publicity. "The area of the lungs is equal to the area of a tennis court"—when Ronnie English and Kay True decline to give the measurements of a tennis court—tha's somthin!

The men's faculty are doomed to defeat at the hands of the now earnestly training feminine squad. One of these days we're going to bring a "women's faculty" team upon the field. Announcements of the inevitable will be issued in advance for the benefit of the grandstanders.

Have you noticed the change in the noon day dances? No more refreshments! We've got something else up our sleeve.

### OREGON CONVENTION

Miss Cundriff, Kay True and Babette Lou, President of the W. A. A., are representing State at the Oregon Conference of the A. F. C. W. April 1, 2, 3. Some of the subjects to be discussed are "Mixed Recreations; W. A. A. as an Active and Important organization; Financial system; and Stimulation of Intramural competition." I wonder if they got sick on the 2 lb. box of candy that they took along?

### AT RANDOM

The W. A. A. concessions at the Alpha Phi Gamma World Fair is a game called tenpins to be played with five pins. The lucky winner will receive State dolls (?).

Congrats to Virginia Kyriazi for her appointment to act as Student Body President during summer session. Virginia has been very active in the W. A. A., being elected secretary after having been president of the organization.

Junior Varsity. It's all too bad because the Jayvees lost the triple meet to the Buccaneers by the sum of one-half point.

The score stood at 60-60 at the pole-vault event; a Stater was making his last try; Coach Cox was praying for a good clearance; the fans held their breath;—the Stater missed. Balboa won 60-60½.

Nilan of Balboa was the high point man for the day, winning two firsts. Jim Hopkins of State came up to his record with one win and being the number four man of the State winning relay team. Firsts were won for State in the 220 by Hopkins, the 440 by Bassett, the mile by Kline, the high hurdles by Peninou, the shot-put by Pantages, the discus by Thompson, and the relay team with Jim Hopkins coming in first.

## Diamond Men Out For Revenge Against The Orphans

Well, there's a probability—some may consider it slight—that S. F. J. C. baseballers might condescend to take their baseball lesson from State at Roberts Field tomorrow. However, the likelihood of the event occurring hinges on the following possibilities: If Ram baseball manager Bertolucci doesn't have two or three other games scheduled for tomorrow, if Coach Eisen doesn't prefer to meet Frederic Burk varsity, and if the Ram baseball team doesn't want to go on a picnic, well, Jaysee may be around for their scheduled game.

But then there's the Jaysee's point of view, too. They have been riding high so far as Ram-Gater sports go since basketball season, and now they can see that famous hand writing on the wall. Down comes their ego! If the Ragged Ram has gotten wind of State's victory over the Santa Clara Broncos they probably won't show up at all. The Purple knocks over the Bronco varsity while the Ram takes it on the chin from the Bronc Frosh.

The Powell streeters have a fair team on paper, but the records show many losses for the Reds. Besides a cleaning from the S. C. Frosh, the Eisen men have lost to Sacramento J. C. twice, and Mission High School. It doesn't look so good, does it, especially that high school business.

Contrasted to the Jaysee record is State's undefeated season of eleven straight victories over teams including Santa Clara, Santa Rosa and Menlo J. C.'s. The San Francisco Junior College might have been on that list, but some how they seem to get their dates mixed up.

At present Coach Harden's squad is undefeated and batting .326 per cent as a team. That is hitting the ball in any league. Pacing the hitters is Catcher Bill Abbey, with a percentage of .527, followed by Hal Wood at .457, and Joe Lee at .368. Getting eighteen hits Wednesday in the Prune City didn't hurt the Gater batting averages at all.

The batting and pitching averages follow:

Crary . . . . .	.636	Osborne . . . . .	.267
Abbey . . . . .	.527	Wilkes . . . . .	.258
Wood . . . . .	.457	Iago . . . . .	.234

## Peace Rally Scheduled For Staters April 22

With the consent of President Alexander C. Roberts, this year's gigantic student peace rally will be held on April 22, at 11:00 a.m., in the women's gym. Similar rallies will be held simultaneously in other campi throughout the country. Dr. Roberts feels that this annual demonstration has crystallized into a national student institution and should be supported by the entire student body at State.

## "Decennial Dinner is Success," Says Crowd

It was a party for "Eke," at least that's what his pals up in Oregon call our esteemed Dr. Alexander C. Roberts. And was it a party? Complete with ice cream, 'n' everythin'. His whole professional family was there, from the State Superintendent of Instruction, Dr. Walter D. Dexter, to the very newest member of the faculty Mr. Hugh Baker.

They gave the good doctor a great big globe of the world, all lit up, and Mrs. Bertha Monroe spoke for the faculty. Dr. Dexter, Dr. Barney, Miss McCall, and various members of the student body took part.

## Lidlifter

Dear Lid-Lifter:

May I suggest that all the doors in the cafeteria be kept unlocked during the lunch hour. I notice that all available exits, except the narrow entrance, are bolted and locked. In view of the fact that the building has been condemned as a fire-trap, and that as many as 600 students use its facilities during this hour, it might be wise to look into the matter. It is well to keep in mind the recent Texas school disaster and do everything possible to safeguard the lives of our own students.
